### 3 Course Carvery in the Restaurant

Ruddington Grange provides an ideal venue for parties and receptions, whether it be for birthdays, wedding anniversaries, christenings, retirements or reunions.

The close proximity to the city centre and good transport links, plus ample on site parking makes it a popular choice with local families, businesses, clubs and societies.

The Restaurant at Ruddington Grange, with delightful views overlooking the golf course, has become a hugely popular venue for Sunday lunches, with the Restaurant and adjoining annex providing the perfect layout for Carvery dining.

The Restaurant is also available exclusively for group bookings and can accommodate up to 40 guests. Starters are served to the table and the guests will be invited, table by table, to the carvery to choose from a selection of succulent roast meats with traditional accompaniments, plus seasonal vegetables and choices of potatoes.

Room layouts are tailored to suit individual requirements and number of guests to be accommodated and we also offer full colour co-ordinated table settings, napkins, menus, seating plans and table numbers.
